Hawaii Chapter SFPE, Tel (808) 526-9019/Email: [ssda@ssdafire.com](mailto:ssda@ssdafire.com)

**NFPA 101® THE LIFE SAFETY CODE SEMINAR.** The Life Safety Code provides the latest safety requirements for construction, protection, and occupancy features necessary to minimize danger to life from fire, smoke, and panic—in both new and existing structures. The 2012 edition of the Life Safety Code has been totally reorganized to present a more logical flow of information that makes it easier to find facts fast and apply requirements correctly. Updated with all-new chapters reflecting the latest technological advances, safety practices, and industry trends, the LSC® is packed with vital information that affects how you do your job now and in the future! This comprehensive seminar combines lecture and student activities to familiarize participants with concepts and application so they can put the new Code into action with confidence!

This 3-day seminar targets end users, architects, engineers, authorities having jurisdiction, building officials, insurance company representatives, and fire service personnel who need an introduction to or refresher of the fundamentals of the Life Safety Code®. It is also valuable for individuals who wish to learn about the changes in the 2012 edition of the Code.

**Cost: Early Registration (before September 23, 2011) \$800**  
**After Sept 23, 2011 \$950.** Please register early as we expect this to be a very popular seminar. Reservations and cancellations will not be accepted after that date. **NO-SHOWS WILL BE BILLED FOR FULL ATTENDANCE.** Telephone reservations will be accepted provided they are followed by written confirmation and payment. If 3 or more persons from the same organization register a 10% discount will be provided.

Seminar attendees will receive a copy of NFPA 101, seminar workbook, certificate of completion, and 2.1 ceu's or **21 AIA Learning Units in the Health, Safety, & Welfare category** The registration fee also includes lunch & coffee breaks each day.

**Instructor:** The seminar will be taught by James K. Lathrop, P.E., of Koffel Associates in Niantic, Conn. Mr. Lathrop has served as a LSC instructor for NFPA for over 25 years, was previously the Chief Life Safety Engineer at NFPA & chief editor of the LSC Handbook. Mr. Lathrop serves on several NFPA 101 Technical Committees and is Chair of 101's Means of Egress Committee.

**Location:** The seminar will be held at the Hale Ikena, the Golf Clubhouse at Fort Shafter, Honolulu, Hawaii. A map can be downloaded from the website at [www.sfpehawaii.org](http://www.sfpehawaii.org). Parking is available at no charge.

**Payment: FEE MUST ACCOMPANY APPLICATION.** Payment may be made by check or money order. The applicant will receive a receipt and confirmation. Make checks payable to **Hawaii Chapter SFPE** and mail to Hawaii Chapter SFPE, c/o 720 Iwilei Road, Suite 412, Honolulu, Hawaii 96817.
